

MINI KISBOOTH

Small photo booth, great technology

MINI KISBOOTH

Small photo booth, great technology

IDEAL FOR SMALL SPACES

The Mini Kisbooth offers a wide range of photographic products with a footprint of less than 1m²! This photo booth fits into the smallest space, 0.90sqm exactly, therefore allowing more site owners to benefit from one of Photo-Me's booths. By siting a Mini Kisbooth, retailers can now offer an extra service to their customers and also increase their revenue simply by providing a small area of floor space.

PASSPORT PHOTO STANDARDS

■ Our ID & VISA photos conform to the ICAO (International Civil Aviation Organization) standards thanks to the exclusive patented Photo-Me® ID software.

ACCESSIBILITY

There is a grab bars option for people with reduced mobility.

EASY NAVIGATION USING THE 18.5" TOUCH SCREEN

The user-friendly interface, the touch screen and the audio guidance available in several languages, help customers to quickly achieve their desired photo.

ADAPTIVE SEAT

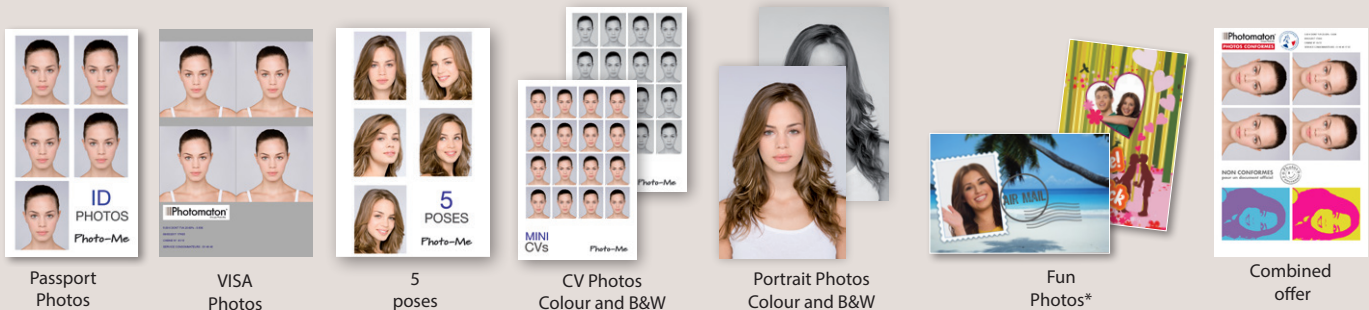

This adjustable seat enables the customer to manually set the height in order to achieve a compliant photo.

EXTERNAL ADVERTISING

All products available from this photo booth are promoted on the external advertising. The front poster is backlit by energy saving LED lights.

Technology WYSIWYG (What You See Is What You Get) allows the user to see the photo on the screen corresponding to its appearance when printed.

PRODUCTS ISSUED

*Print or share by email or on Facebook

Technical Specifications
